Ref Assessments	-	-	-	CVL Referees will receive a Referee Assessment at least once per season. Half of the referee's fee for that match will be paid to the Referee Assessor.	

Notes:

1. These rates will be indexed at the start of each year and adjusted for inflation (CPI). Rates will be adjusted in 50c increments.
2. Referees are required to be current members of VACT as a player OR referee to be paid. VACT expects referees to have a current WWVP Check.
3. When refereeing Beach Volleyball you will be required to rake the court at the completion of games on that court.
4. For CVL matches referees will be required to wear a current Volleyball Australia referee uniform.
5. The Australian Sports Commission's introductory online officiating course is available at: <http://www.ausport.gov.au/participating/resources/officials>
6. Rates for School Events and Super League are subject to differing fee structures.
